

## Into the Wild Designer Opportunity Sign Design

The Hidden Gardens is an award winning public greenspace and community development organisation located in Pollokshields in the south side of Glasgow, Scotland. The Gardens were developed as a major social, artistic and environmental regeneration project which has transformed an area of industrial wasteland within one of Scotland's most diverse urban communities.

### The Project

*Into the Wild* is part of a new £1.25 million Scottish programme of community projects to improve engagement with greenspace in our larger towns and cities. The Green Infrastructure Strategic Intervention is led by Scottish Natural Heritage and is part-funded through the European Regional Development Fund.

### Designer Brief

*Into the Wild* will engage with the general public living in the local area and across Glasgow. People of all ages and abilities will engage in arts, horticulture, wildlife, creativity and well-being activities. **We require a designer to produce 2 similar vinyl signs to sit at our Pollokshaws Road entrance.**

The designer is responsible for all aspects of design, printing, production and installation of final signs.

### The Ideal Candidate

Our ideal candidate will have exceptional design skills and proven experience of delivering similar work. You will also have excellent communication skills and an interest in biodiversity and wildlife. See *More information* below.

### Budget

Total of £750 inclusive of design fee, production and installation of final products.
